The Reverend Lori A. Wilton
St James Episcopal Church
Fremont, California.

Dear Rev. Lori,

REF: APPRECIATION FOR SCHOLARSHIP

I'm writing to express my appreciation to you and St. James Church for considering sponsoring my education. May the Almighty father in heaven shower you with His blessings and may you live to light more candles.

Growing up in a less privileged family and community, I have encountered a lot of problems that when my application was considered, I hardly believed the news, I was impressed with tears of joy and knew the value of hardwork and a chance for higher education is a dream come true. I discovered that God's favour was upon me.

I have just began my form one at Moi Girls High School Eldoret and can now study without interference.

I promise to work hard and achieve my goals so as to help those who have undergone horrible situations that I have been brought up through.

I am overwhelmed till I lack words to satisfy you that I am happy. Thanks a lot and be blessed. I will always remember you in my daily prayers for God's protection. Also do accept appreciation from my parents and community.

Yours Sincerely,

~~A~~
